

A circle with a shaded sector and a corresponding shaded segment. The sector is formed by two radii and an arc, and the segment is the region bounded by the arc and a chord.

A 3D architectural rendering of a modern apartment floor plan, viewed from above. The layout includes two bedrooms, each with a large bed and bedside tables. A central living area features a light-colored sofa, a coffee table, and a large potted plant. A dining area with a square table and four chairs is adjacent to the living space. The kitchen area includes a countertop with a sink and a small island. The apartment has large windows and a curved exterior wall with a decorative element. The overall design is clean and minimalist, with a neutral color palette.
